FASTENERS MEETALY 2015: Challenge the Future!

Sponsored by **NOF METAL COATINGS GROUP**

In conjunction with EXPO MILANO 2015, UPIVEB, the Italian Association of Fastener Manufacturers, is promoting the first world convention focused on Fasteners:

FASTENERS MEETALY 2015: Challenge the Future! It will be held on September 14th, 2015.

This Universal World Congress is going to be:

- ☐ A business Day to think of the future of fasteners & technologies!
- ☐ A business Day to discover the economic, industrial and automotive challenges!
- ☐ A business Day with major key deciders and sponsors!

Register now online:
